

Jewellery Policy

Alraiedah Underwater LTD is dedicated to providing a safe and healthy working environment and has implemented this policy to ensure the safety of our employees.

Policy Statement:

- The wearing of jewellery is prohibited in the workplace, including ships, barges, workshops, construction yards, and any similar places where hazards may be present.
- Exceptions may be made for medical bracelets, provided they are of the "open" copper type and covered by clothing and personal protective equipment (PPE).
- Responsibility for implementing and enforcing this policy rests with all levels of management, ensuring compliance and promoting a safe working environment for all employees.
